

**Notes from:
LITCHBOROUGH ANNUAL PARISH
ASSEMBLY**

This was held on Tuesday 19th May 2026 at 6 pm in the Village Hall. A fascinating talk and slide show with videos was given by Mr Chris Payne – a licensed Bird Ringer in Northamptonshire. Birds are rung to allow records of populations to be kept and data on individual birds. The talk was about the various types of owls found locally. It was attended by 18 people. Chris builds owl boxes at very reasonable rates – Council to consider in next meeting. If anyone know any landowners who would be willing to allow boxes on their trees it would be very beneficial to the owl population.

Refreshments were available!

Tim Sykes, Chairman Litchborough Parish Council thanked Chris for his interesting talk.
