

Footpath Number	Description	Report
RP1	Track up from left of Towcester Road, running East out of the village, becoming RF12 at the end of the track – 1 st stile you come to	Checked and walked Nov 2024, no issues
RP2	Starts on Northampton Road, by playing field, goes out the back of playing field, behind industrial units to brook. Other side of brook is FE 5, another jurisdiction	Checked and walked Feb 2025, no issues
RP3	Runs from beyond the last house on East of Farthingstone Road, heading away from Litchborough. Runs North until it hits the brook and becomes FE4 on the other side of small bridge.	Bridge out of action July 2025
RP4	Forks off RP16 in North westerly direction, where RP5 continues in south westerly direction, appears to be near 1 st stile.	
RP5	Extends from end of RP16 in south westerly direction towards Banbury Road (we think!)	
RP6	Short footpath starting further along the main road just up from where RP5 meets the road.	A wide track, unlikely to become overgrown so is not routinely checked
RP7	Does not exist	
RP8	Starts beyond the hay barn on the right of Towcester Road heading west to the Banbury Road	Checked and walked Feb 2025, no issues
RP9	A long footpath starting behind the village green, heading south along the east side of the Cricket pitch. It meets RP10 and forks right (south west and crosses RP8 (stile) and heads west (north of Tivvy Farm) and then takes a sharp left (west of Tivvy Farm) and hits the top road. It continues beyond the top road south to a field delimiter just beyond some farm buildings and hits RC11 – a different jurisdiction.	2 parts to this footpath. North of the top road is routinely checked. South of the top road, it is a wide track through farm land without stiles so it is not routinely checked Checked and walked Feb 2025, no issues
RP10	Starts about two thirds of the way along RP9 from behind the Green on the East side of the old cricket pitch. See above and continues south (east of Tivvy Farm) and hits the top road. The continuation of RP10 (signposted) south of the top road is a 100 m or so along the top road (West). RP10 runs parallel to RP9 also hitting RC11. At this point , RP10 is signposted heading north.	Checked and walked Feb 2025, no issues
RP11	Starts on the top road about 1—m the other side of the continuation of RP1- and travels south east until it hits the single track road that takes you from Towcester Road, past Foxley Lodge and Foxley House to Banbury Lane. There is a bit of a stile and a slab of concrete which are enough to gain access from the top road.	
RP12	Short footpath from the start of the single track road to Foxly, to the Caswell Road, thus cutting off the corner.	No signage or evidence that this path has ever been in

		place/used. No further action taken
RP13	Is off the single track road to Foxley, from just before Foxley Lodge, west toward Seawell Farm and RC11 and RC15.	
RP14	Off the single track road but from beyond Foxley House in a south easterly direction	
RP15	Tiny footpathNorth east of the village, off the Northampton Road, toward the A5 beyond Radmore Farm	
RP16	Start of the Knightly Way, up Kiln Lane off the Banbury Road.
